Physician back-up Protocol:

PH-1 is on call all whenever remote radiologists cannot be reached, 12-5p. If remote 9-6:30 rad or SWING rad fail, PH-1 stays until services are resumed.

Back up Dx rad (usually PH-1) is on call from 5 pm - 6:30 am.

If SWING went down for example after 9am - 6:30pm rad signed off, Back up rad is called in.
